

Who We Are

Waterloo Independent Secondary School (WISS) is a private high school in Waterloo, that offers the Ontario Secondary School Diploma (OSSD). WISS has graduated many students since 2013 who have gone on to universities and into the workforce. Our grade 12 university preparation programs have earned an excellent reputation among colleges and universities.

It is a school under the leadership of a highly experienced and successful management team. We are proud of our caring and hard-working teaching staff who care, guide and lead students to succeed academically and practice their life skills.
